

# MANUFACTURING EXPO 2013

InterPlas Thailand 2013

InterMold Thailand 2013

AUTOMOTIVE MANUFACTURING 2013

•Manufacturing Expo 2013• has come to a close with the auto-parts and industrial-parts manufacturing industries now speeding towards the future full of opportunities they can grab and challenges they can handle.

The total of 48,941 participants have discovered new technologies of increasing productivity. While the Exhibitors have sales leads to follow up that means new investments in the industries with a total worth of several billion baht.
