

TOSTEM THAI received Safety Excellent Model Award

16 June 2017

TOSTEM THAI has been awarded, for the first time, Safety Excellent Model Award on the National level from Occupational and Safety Division, Department of Labour Protection and Welfare.

This award showcases Tostem Thai's commitment on developing a safe and pleasant working environment for its employees. The company has been making a continuous effort to comply with Safety Law, and was presented with Safety Excellent Model Award, Basic Level, for the first time on 2014, before constantly moving upward to Provincial level on 2015. Now, the company has plan to maintain this effort and advance to Diamond level in 2021.

Receiving this award on National level presented a significant milestone for the company to maintain a good working space for everyone.
