

Emphasising the “No.1 Aluminium Extruder” image at Manufacturing Surabaya 2017

22 July 2017

TOSTEM THAI made an appearance to exhibit its products and highlight the image of “Thailand No.1 Aluminium Extruder” at Manufacturing Surabaya 2017 which was held on 19 to 22 July 2017 at Grand City Convention and Exhibition Centre Surabaya, East Java, Indonesia.

The booth had a well-received response, with over 200 visitors and around half of those were interested in the products. Almost all of the leads generated were from companies in Indonesia, and one company Shanghai, China.

Manufacturing Surabaya 2017 was held for the 13th time and incorporated four minor trade fairs altogether. This was held at Grand City Convention and Exhibition Centre Surabaya, East Java – Indonesia. With the title of “manufacturing heartland” of East Java, as well as over a decade of successful shows in the past, Manufacturing Surabaya presented a perfect opportunity where professionals, decision makers and other individuals involving in manufacturing industry to meet.
